

Lancia Stratos HF Stradale Electrical System

- 1 Retractable low beam and high beam headlights
- 2 Position light and front direction indicator
- 3 Lateral direction light
- 4 Fog lights
- 5 Gear motors for retractable headlights
- 6 Electromagnetic switch for retractable headlights
- 7 Boot/trunk compartment light
- 8 Thermometric switch for electric fans
- 9 Electric fan for engine radiator cooling
- 10 Electric motor for ventilation system fan
- 11 Electromagnetic switch for electropneumatic horns
- 12 Electric compressor for electropneumatic horns
- 13 Electric motor for windshield washer
- 14 Windscreen wiper motor
- 15 Brake fluid minimum level warning control
- 16 Push-button switch on door pillar for interior light and open door warning
- 17 Open door warning light
- 18 Power outlet
- 19 Three-position switch for external lights and retractable headlight control
- 20 Switch for stop/brake lights
- 21 Oil pressure gauge
- 22 Engine coolant temperature gauge
- 23 Oil temperature gauge
- 24 Electronic tachometer/rev counter
- 25 Odometer / speedometer
- 26 Ammeter
- 27 Fuel level indicator
- 28 Parking brake and brake fluid minimum level warning light
- 29 Switch for ventilation system fan motor
- 30 Switch for fog light control
- 31 Switch for interior light control
- 32 Dimmer switch for instrument panel lighting
- 33 Engine oil pressure warning light
- 34 Instrument panel illumination lamps
- 35 Fuel reserve warning light
- 36 Alternator warning light
- 37 Choke engaged warning light
- 38 Position lights warning light
- 39 Direction indicator warning light
- 40 High beam warning light
- 41 Key switch for engine ignition and services with anti-theft
- 42a Fuse (16 A) for fog light circuit protection
- 42b Fuse (8 A) for fuel pump protection
- 42c Fuse (8 A) for alternator circuit protection
- 42d Fuse (16 A) for direction indicators, windscreen wiper and washer motor, power outlet, brake lights, ventilation fan, cooling fan relay excitation, warning lights: 28-35-37, instruments: 21-22-23-24
- 43 Windscreen wiper and washer motor control
- 44 Headlight and flash-to-pass control
- 45 Direction indicator control
- 46 Electropneumatic horn control
- 47 Pictogram illumination light
- 48 Electromagnetic switch for headlights
- 49 Electromagnetic switch for charge indicator
- 50 Electromagnetic switch for engine radiator cooling fan motor
- 51 Direction indicator flasher relay
- 52 Vehicle interior light
- 53 Parking brake warning light switch
- 54 Reversing light switch
- 55 Fuse box
- 56 3 A fuses
- 57 16 A fuses
- 57a Available 8 A fuse
- 58 8 A fuses
- 59 Fuel level indicator control
- 60 Electric fuel pump
- 61 Accumulator battery
- 62 Electronic ignition unit
- 63 Starter motor
- 64 Rear light
- 65 Reversing lights
- 66 Number plate light
- 67 Spark plugs
- 68 Oil temperature gauge control
- 69 Ignition distributor
- 70 Alternator / generator
- 71 Ignition coil
- 72 Engine coolant temperature gauge control
- 73 Engine oil pressure warning light control
- 74 Engine oil pressure gauge control
- 75 Voltage regulator
- 76 Engine compartment light
- 77 Rear compartment light
- 78 Rear direction light
- 79 Rear position and stop light
- 80 Anti-Hop device (Deceleration Control Unit)
- 81 Micro switch for Anti-Hop device
- 82 Choke engaged warning light control

- Fuses (55)**
- 1 (Reserve)
 - 2 Gear motor for retractable headlights
 - 8 Lamps: LH front/RH rear position, RH license plate, instruments/symbols, position-lamp indicator
 - 9 Interior light, door-open warning light
 - 10 Radiator cooling fan motors, electro-pneumatic horns
 - 11 Electromagnetic switch controlling retractable-headlight motor (closing)
 - 12 Electromagnetic switch controlling retractable-headlight motor (opening)
- 7 Lamps: RH front/LH rear position, RH license plate, instruments/symbols, position-lamp indicator
 8 Lamps: LH front/RH rear position, LH license plate, reverse, front, engine & luggage compartments
 9 Interior light, door-open warning light
 10 Radiator cooling fan motors, electro-pneumatic horns
 11 Electromagnetic switch controlling retractable-headlight motor (closing)
 12 Electromagnetic switch controlling retractable-headlight motor (opening)
